## Program Description

The post graduate diploma in Project Management is a two-year for- credit program designed for students who wish to peruse the designation. Students will be able to demonstrate a knowledge of project management operations, including human resource management, risk management, budgeting and accounting, marketing, and business computer applications.

Students who complete this program will be fully prepared for a career in project management having a full understanding of the processes and techniques required in this field. Students who successfully complete the program will be able to write the PMI'S PMP certification exam.

## What can I do with a Post-Graduate Diploma in Project Management?

Graduates of this program will have acquired knowledge and skills to see career opportunities as Project Managers, Project Coordinators, and Project Development Analyst to name a few. Project Managers are needed in many area and industries such as Health and Engineering, Computer, New Media Advertising, Marketing, Financial, and Education.

At Canadian Imperial College we are in the business of **opening possibilities** and creating opportunities.
