Program Description

Canadian Imperial College offers an Undergraduate Pharmacy Technician Diploma Program. This is a 49-week program that will prepare students for a rewarding career as a Regulated Pharmacy Technician. As a valuable member of the pharmacy team, graduates will be able to assist the pharmacist with a variety of tasks including processing prescriptions and dispensing medications to patients, compounding non-sterile and sterile products, inventory management, medical device training and other pharmacy activities. Graduates will possess the knowledge and technical training to work as a Pharmacy Technician in a variety of health care settings, such as hospitals, long-term care facilities and community pharmacies.

What can I do with a Pharmacy Technician Diploma?

Graduates of the program will qualify to write the Pharmacy Examining Board of Canada (PEBC) Qualifying Exam and register with the Alberta College of Pharmacy (ACP). Fully Licensed Pharmacy Technician can find employment in:

- hospital pharmacy,
- community pharmacy or
- long-term care pharmacy.

At Canadian Imperial College we are in the business of *opening possibilities* and creating opportunities.
